3. Re-engineered ARSO in brief
4. Business implications for the Private Sector in Africa of the WTO Agreement on TBT - ARSO/ITC Workshop Report, Nairobi Kenya, 17-19 January 2005
5. The Value of ARSO - 2004
6. ARSO Strategy Document - 2004
7. ARSO Re-engineering Project Report - 2004
8. African Bibliography No. 1: Standards on Agriculture and Food Products;
9. African Bibliography No. 2: Standards on Building and Civil Engineering
10. African Bibliography No. 3: Standards on Mechanical Engineering and Metallurgy;
11. African Bibliography No. 4: Standards on Chemistry and Chemical Engineering.
12. Directory of National Standards Bodies in Africa.
13. Constitution of the ARSO Network of Documentation and Information Systems (ARSO-DISNET).
14. ARSO Network of Testing, Metrology and Instrumentation Centers (ARSO-TIMCNET) - Constitution and Rules.
15. Standardization: An Introductory Guide.
16. Benefits of standardization.
17. The Role of Metrology in Development
18. Directory of National Standards Bodies in Africa.
19. Constitution of the ARSO Network of Documentation and Information Systems (ARSO-DISNET).
20. ARSO Network of Testing, Metrology and Instrumentation Centers (ARSO-TIMCNET) - Constitution and Rules.

21. Benefits of standardization.
22. The Role of Metrology in Development.
23. Establishment of a National Metrology Service.
24. Constitution, Rules and Guide of ARSO-CERT.
25. Establishment and operation of a National Standards Body.
26. Guide on the Procedure for Assessment and Accreditation of National Standards Body .
27. Certification: Report and Technical Papers presented at the Workshop on certification held in Lusaka, Zambia.
28. Standardization in the field of Mechanical Engineering and Metallurgy: Technical papers presented at the ARSO Workshop on Mechanical
29. Standardization in the field of Electrotechnology: Report and Technical Papers of ARSO Workshop held in Cairo, Egypt. 25 - 30 September 1990
30. Report of the ARSO/CSC/UNCHS Workshop on standards and specifications for Local Building Materials:
31. Certification: Report and Technical Papers presented at the Workshop on certification held in Lusaka, Zambia. 24 - 30 August 1989
32. Standardization in the field of Mechanical Engineering and Metallurgy: Technical papers presented at the ARSO Workshop on Mechanical Engineering held in Nairobi, Kenya. 7 - 12 Nov. 1988
33. Standardization in the field of Mechanical Engineering and Metallurgy: Report of the ARSO Workshop held in Nairobi, Kenya. 7 - 12 Nov. 1988
34. Standardization of Textile Products: Report of the ARSO Workshop held in Accra, Ghana. 23 - 28 July 1990
35. Standardization in the field of Electrotechnology: Report and Technical Papers of ARSO Workshop held in Cairo, Egypt. 25 - 30 September 1990
36. Report of the ARSO/CSC/UNCHS Workshop on standards and specifications for Local Building Materials:.16 - 24 March 1987
37. Report of the ARSO Workshop on Standardization of Agricultural Products and Environmental management. held in Accra Ghana. 14 - 18 September 1987

38. Report of the ARSO Workshop on Standardization of Chemical Products.
16 - 24 March 1987
39. Technical Papers presented at the ARSO/CSC/UNCHS Workshop on
Standards and Specifications for Local Building Materials.
40. Technical papers presented at the ARSO Workshop on Standardization of
Chemical Products. 31 - 5 June 1988
41. Training Workshop on Metrology: Report of the ARSO Workshop on
Metrology held in Addis Ababa, Ethiopia. 5 -14 December 1988
42. Training Workshop on Metrology: Report and Technical Papers at the
ARSO Workshop on Metrology held in Nairobi, Kenya. 11 - 16 October
1989
43. Training Workshop on Metrology: Report of the ARSO Workshop on
Metrology held in Addis Ababa, Ethiopia.
44. Why Establish an Information and Documentation Centre, Volume I:
45. How to design and manage an information and documentation Centre,
Volume II
- 46.** Technical Aspects of work in a documentation and information Centre on
Standards and Related Subjects, Volume III
